An enriched, thoughtful discourse

"We may preach truth. We may preach orthodoxy. We may even stand against the practice of untruth strongly. But if others cannot see something beautiful in our human relationships, if they do not see that, upon the basis of what Christ has done, our Christian communities can stop their bickering, their fighting and their in-fighting, then we are not living properly."

Francis Schaeffer, *The Church at the End of the 20th Century*
