David White

## **Grace Alone: Finding Power to Live**

Titus 2:11-3:7

(black Bibles page 998; Children's Bibles page 1488)

Is something broken?

What is grace?

God's initiating love and goodness, reconciling us through Christ and empowering us by his Spirit to live by faith as his people in the here and now.

Why do we need grace?

Who enables grace? (A Bridegroom, the Spirit, and a Living Hope)

How do our lives change because of grace?
